Laughter helps reduce stress and helps connect us with others. Watch a funny movie with your spouse, or play a game of Twister with your family. www.foryourmarriage.org *What have you done for your marriage today?*

*“But when he comes, the Spirit of truth, he will guide you to all truth.”
(John 16:13)*

It has been said the best gift we can give someone is to teach them how to pray. If I don’t talk to God every day-and more importantly, LISTEN-how else will I know what He is calling me to do? Just as we talk to family and friends every day, we should get in the habit of talking with God every day. Develop a daily prayer routine. Keep prayers simple and sincere. This is best done in silence, when we can hear His response.

STEWARDSHIP OPPORTUNITY!! As you read in the school column above, painters are needed in our school classrooms!! No time is too short! Stay an hour or stay all day! St. Joseph School is getting freshened up over the summer, and we need YOUR help!! As you can see, volunteers have already begun the process of updating the 30month old play area. It takes a village to make these good things happen, and St. Joseph parish has proven over and over that we have the best “village” around!!
